

## REMARKS

Entry of this amendment is respectfully requested pursuant to 37 C.F.R. §1.116(e) in order to place this application in condition for allowance.

Claim 34 was rejected under 35 U.S.C. §102 as anticipated by Cidon. Claims 1, 3-9, 29, 31 and 33 were allowed, and claims 35, 36 and 38 were objected to as dependent upon a rejected base claim, but the Examiner indicated that the claims would be allowable if rewritten to include all limitations of intervening claims. Applicant has cancelled claim 34 and amended claim 35 to include the limitation of claim 34. As such, it is submitted that the rejection may be withdrawn and all claims are in condition for allowance.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Applicants' Attorney at the number listed below so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,

December 27, 2007
